

JANEIOUS LTD

UI Artist (M/F)

LOCATION Frankfurt Area / Germany
LEVEL Mid
DEPARTMENT Administration
POSTED September 15th, 2018

JANEIOUS is a community funded independent game development studio.

Our core team, composed of industry veterans and outstanding new talent, works in Ireland, the UK, Malta and Germany while our community and shareholders come from all over the world.

JANEIOUS only exists thanks to its dedicated fan base supporting it from all around the world providing funding, focus groups, translation, web development, community management and even hardware.

YOUR MISSION

- Create and adjust intelligent and consistent interfaces for our upcoming Unity Mobile Game incl. Layout, Iconography, Illustrations, Animations
- Weave and maintain performant design systems which allow a permanent growth of content in life game operations
- Construct wireframes and develop them into a beautiful User Experience in close cooperation with our Game Designers, Front End and Art Direction

YOUR PROFILE

- Minimum 3 years' experience working as an UX Designer / UI Artist
- Proven record of 1 released Mobile Game based on Unity
- Professional level experience in Adobe Illustrator and Adobe Photoshop
- Intermediate level skills in Unity to create animations and effects for interfaces
- Strong creative and strategic thinking
- Good communication skills
- Fluent English in speech and writing
- Self-organized with attention to detail and able to give accurate estimates
- Willing to relocate to Frankfurt am Main, Germany

Please send your resume or CV in PDF, HTML, text, or Word format to jobs@janeious.com. Please put in "UI Artist" in your email's subject line.

We look forward to receive your application (cover letter, CV and references) as well as your salary requirements and earliest possible starting date. We accept PDF and Word format.
